Do You Think For Yourself?

Or do you open your mouth like a young bird and gulp down whatever food or medicine is offered you?

There is an intelligent thinking woman. In need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true honest medicine on which you can rely.

The makers of Dr. Pierce's Favorite Prescription for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, on which it is composed, in plain English, on every bottle wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famous medicine is advised.

No other medicine for women's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received. In the unqualified recommendation of each of its several ingredients by scores of leading medical men of all the schools of practice, is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. J. C. Pierce, Buffalo, N. Y.

Remedy FOR CATARRH
Ely's Cream Balm
is quickly absorbed. It soothes, moistens, heals, and protects the diseased membrane resulting from Catarrh and drives away a cold in the head quickly. Restores the Senses of Taste and Smell. Full size 50 cts., at Druggists or by mail. Liquid Cream Balm for use in atomizers 75 cts. Ely Brothers, 59 Warren Street, New York.

Catarrh

To prevent unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am certain that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical proof of any article of real genuine merit. But this article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel plated glass jars at 50c. Such soothing agents as Oil of Eucalyptus, Eucalyptol, Menthol, etc., are incorporated into a velvety cream like Petroleum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bloating, belching, biliousness, bad taste, etc., surely call for Dr. Shoop's Restorative. For uncomplicated Catarrh only of the nose and throat nothing else, however, need be used.

THE EARTHQUAKE IN SICILY.

The correspondent of the Rome Herald succeeded in reaching Ferruzzano on horseback. He found the town a mass of ruins, there being scarcely a single house standing. The roads, or rather mule tracks leading to the place, have been blotted out by landslides or carried away by the floods. Each ruined house had been converted into a tomb, occupied by the dead and living. A majority of the survivors have fled. Those remaining are hoping against hope that they will be able to rescue buried relatives. The inhabitants are semi-nude, most of them wearing the earth-clothes they had on when the earthquake came. They are drenched through and through, having no shelter from the steadily falling rain.

Mute desperation and terror are depicted on their faces, and many of them weep silently. The parish priest is making a round of the ruined houses, reciting prayers for the dead, and administering extreme unction to the dying. Squads of soldiers are engaged in saving property and in recovering bodies. Most of the injured inhabitants are sheltered in military tents. The doctors are kept busy attending to them.

A long row of bodies is awaiting identification and burial in half-dug graves, which are flooded. The torrential rain increases the desolation and renders the work of rescue difficult. The scenes witnessed are heart-rending.

The latest reports from the affected districts place the number of dead at over 600 and the injured at 1,000. The troops are doing their utmost to diminish the sufferings of the people. They work steadily, uncomplainingly, burying the dead, rescuing the living, distributing food and clothing and providing shelter.

Minister Lacava is going the rounds of the villages depending help. Cardinal Portanova, archbishop of Reggio di Calabria, and the bishops are distributing the Pope's first contribution of \$10,000. It is likely that the King will visit Calabria.

They Make You Feel Good.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create make one feel joyful. Samples free at Gibson & Timberman's and W. F. Creighton & Co.'s drug stores.

CHEER NAME OF GRANT AND ROOSEVELT.

The name of Gen. Ulysses S. Grant was enthusiastically cheered by the Grand Camp, Confederate Veterans, of Virginia, yesterday. Thousands of other Virginians also joined in the demonstration, and the same voices that acclaimed the greatness of Grant also expressed unbounded enthusiasm at the mention of the name of Theodore Roosevelt.

These demonstrations occurred in the auditorium of the Jamestown Exposition, crowded to its four walls with the most enthusiastic audience that has ever been packed in it. It was Confederate Veterans' Day as well as Greater Norfolk Day at Jamestown.

Col. William H. Stewart, of Portsmouth, was orator of the day, and his references to the dead leaders and the living was the signal for the outburst. Cheers made the great building ring when Col. Stewart referred to the advice of Grant to the Confederate soldiers after the surrender at Appomattox.

The hand clapping and hurrahs, mingled with rebel yells, continued for several minutes.

Lee's name also was greeted with thunderous applause, but that was entirely expected.

Another popular hero of the day was Rear Admiral P. F. Harrington, U. S. N., in charge of the naval interests at the exposition. He was one of the speakers of the day, and on his breast he wore the Confederate colors over his blue uniform.
